

Education

Noah Webster

(of Webster's Dictionary fame) stated:

*"Education is useless without the BIBLE.
God's word, contained in the BIBLE, has furnished all necessary
rules to direct our conduct."*

President Lincoln

understood the importance of the BIBLE and
its effect on a given society. He said . . .

*"All the good from the Savior of the world is communicated
through this Book.
But for the Book, we could not know right from wrong.
All things desirable to man are contained in it."*

Robert Charles Winthrop

(1809-1894), an American Legislator,
also knew its importance when he said:

*"Men, in a word,
must necessarily be controlled either by a power within them, or
a power without them, either by the word of God, or the strong
arm of man; either by the BIBLE or by the bayonet."*
